

AIMS & OBJECTIVES

The Purpose of this **Inter-Continental** gathering, in the first instance, is to foster serious and immediate **Dialog**, in the hope of maintaining it on a continuing basis thereafter, between all the extant **Paradigms/ World-Views/ Interests / Ideologies** that have divided the Human World into disparate, and often feuding, **Sectarian Groupings**.

It is Aimed, therefore, at nothing short of instituting a **Permanent Conversation** between **All** the Segments of the **Human Species**.

The Dialog will be, thereby, between the varied **Polarities** instituted by **Geography, Gender, Ideology, Ethnicity, Language, Philosophy, Religion, Culture, and Politics** (e.g. East-West, Men-Women, Tradition-Modernity, Conservative-Radical, North-South, etc.).

The Object is to locate all possible **Areas of Agreement** that can serve to foster a **World-wide Affiliation of Peoples** who can, while maintaining and respecting **Difference**, sincerely find **Common Cause** that will sustain the continued existence of Planetary Life forms under threat today by both **Violence** and **Greed**.

It will Serve, we hope, in effect, to create the basis for a **Union of Peoples**, unattached to State, Nation, and Power Blocs, which will foster **Ground-Level Action-Plans** geared to **Micro-Initiatives** locally, but fully informed of the **Co-Respecting Spirit of Human Variety** as it dwells elsewhere, and Everywhere.

It is Hoped, thereby, to institute World-wide a permanent groundswell of support for **Policies/Actions of Peace, Non-Violence and Mutual Nurturance**, in active resistance to the Agendas of all those who seek to Profit and/or Rule at the expense of the **Common Weal**.

The Congress will Adopt appropriate **Resolutions**, both collectively and separately, in all spheres, including Plans for instituting **Means, Mechanisms, and Modalities** to realize them, in a consilient **Spirit of Consensus**, and establish the basis for future expansion of the **Areas of Mutual Agreement** in Ideas, Visions, and Possibilities.
